SMITH BUILDERS, INC.

Let us welcome you to one of two Smith Builders, Inc. 2010 Parade of Homes™ entries. This split bedroom design, ranch style home features 1,414 square feet on the main level and an additional 673 square feet of finished living space in the basement. The home features 3 bedrooms, 3 baths and an extra large 2 car garage.

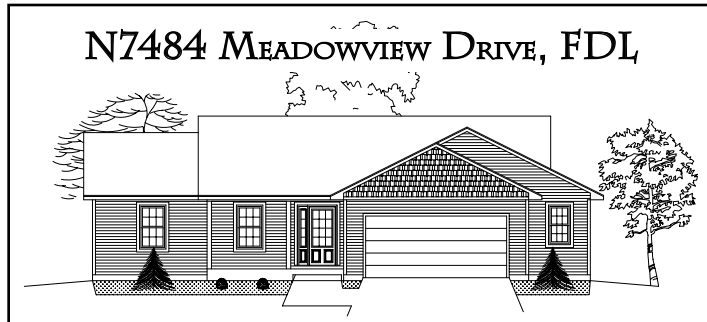

The exterior features Mastic Ovations Harbor Gray, vinyl double 4" siding with Mastic Perfection Shingles accenting the garage gable. The Alliance Windgate high-performance windows come with its InnovativeE™ (Low E) coating system, argon gas and weather stripped interlocking sashes.

When entering this home, you will view the living room with its coffered ceiling and corner Kingsman gas fireplace. Through out the home you will find colonial oak trim with 6 panel solid pine doors and Schlage door hardware with an aged bronze finish.

The kitchen is filled with Merillat Spring Valley maple cabinetry in sable finish and SENSEA® Granite countertops. It also offers a convenient pass-through opening. The master suite has a large walk in closet, double vanity and spacious 5 ft shower.

This home has many energy savings features which add to its energy efficiency and overall comfort levels. It meets the requirements of the Wisconsin ENERGY STAR® program and is a Wisconsin ENERGY STAR® certified home.

In addition to the many energy savings features of this home, a wide variety of measures have been implemented to incorporate many environmentally sensitive practices throughout the
