

September 23, 2009

Dear High School Guidance Counselor and/or Industrial Arts Teacher,

The Home Builders Association of Fond du Lac & Dodge Counties, Inc. would like to encourage students to seek educational and career opportunities related to the shelter industry by providing financial assistance to qualified persons. Our organization will be granting four \$250.00 scholarships.

The applicant must enroll in a full time, formal program of higher education in any one of the following fields:

- Construction Management
- Architecture
- Building Trades (including qualified apprenticeship programs)
- Engineering (With emphasis on construction trades and intent to work in the construction industry)
- Interior Design
- Other related fields of study as determined by the Home Builders Association of Fond du Lac & Dodge Counties, Inc. Scholarship Committee

Enclosed is a copy of the Richard Salm Scholarship application and criteria. You may also print off copies from the HBA website www.homebuildersfdldodge.com.

If you have questions, please feel free to contact the HBA office at (920) 922-9067.

The deadline for the application shall be completed and hand delivered or postmarked by **March 22, 2010**.

A reception for the winners will be held on Thursday, May 6, 2010.

Could you please email the HBA with your email address for future communication? Please email mnow@homebuildersfdldodge.com

Sincerely,

Barbara Knickel
